The Committee shall consist of no fewer than two members, each of whom shall be a director of the Company. Each member of the Committee shall be

“Independent,” within the meaning of the listing standards of the New York Stock Exchange (“NYSE”), or any other securities exchange on which the Company’s securities may then be listed, and the Company’s own independence requirements, and shall meet all other applicable legal requirements. Members shall be appointed and removed by the Board. A majority of the members of the Committee shall constitute a quorum.

III. Operations

The Committee shall meet at least once annually. Additional meetings may occur as the Committee or its chair deems advisable. The Committee is authorized and empowered to adopt its own rules of procedure not inconsistent with (a) any provision of the Charter, (b) any provision of the Bylaws of the Company, or (c) the laws of the state of Hawaii. The Committee shall have the authority to delegate to subcommittees as necessary. The Committee will keep a record of its meetings and report on them to the Board.

The principal responsibilities of the Committee are as follows:

 - Has sufficient time and energy to devote to the Company’s affairs;

In addition, it is the Company's policy that a majority of its directors shall be independent. The Committee's recommendations for nomination to the Board must take this policy into account. Consistent with the listing standards of the NYSE, or any other securities exchange on which the Company's securities may then be listed, for a director to be considered independent, the Board must determine that he or she has no material relationship with the Company that would interfere with the exercise of independent judgment. No director will be considered independent if:

- a director, or a member of a director's immediate family, receives or has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (A) a director, or a member of the director's immediate family, is a current partner of a firm that is the Company's internal or outside auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance, or tax compliance (but not tax planning) practice; or (D) the director, or a member of the director's immediate family, was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time;
- a director, or a member of director's immediate family, is or has been within the last three years, employed as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee; or

- a director is a current employee, or a member of the director's immediate family is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

For these purposes an "immediate family member" includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home (other than domestic employees).

- B. Seek to identify, interview and recruit qualified candidates for Board membership.
- C. Review recommendations for Board membership received from shareholders and other qualified sources.
- D. Annually present to the Board a list of individuals recommended for nomination for election to the Board at the annual meeting of shareholders.
